

INDESIGN CS6 ADVANCED

This course will bring your InDesign skill to the advanced level. You will be trained in the more complex topics such as managing colors, clipping paths, alpha channels as well as using libraries to manage objects. You will also learn about form creation within InDesign and publishing ebook format such as EPUB. If you have attended our InDesign CS6 Essentials or have been using the software for some time and is seeking to upgrade your InDesign skill, then this course will be applicable for you.

Intermediate Users

1 Day (9am to 6pm)

REGISTER
